FILMING SMALL TEAMS

Exemption from the City of Munich for a filming permit

No filming permit is required for low-impact filming or photography on public traffic areas, provided that all the following conditions are fully met.

Requirements

- exclusive use of sidewalks and pedestrian zones (pedestrian traffic must remain unobstructed at all times)
- exclusive use of handheld cameras, shoulder-mounted cameras, a camera on a maximum of one tripod, microphones, boom poles, small portable handheld lights, and reflectors.
- no additional equipment or structures (camera drones, cable laying, generators, floodlights, chairs, wheeled cases, etc.)
- no more than 5 people (actors and crew) involved in the shoot.
- no gameplay scenes that compromise public safety and order (extremist, violence-glorifying, or pornographic content) or impair the public's sense of safety (use of weapons, brawls, loud shouting, threatening situations, etc.)

NEW - also applies to green spaces from the city of munich if:

- the above-mentioned points apply

In addition, the following requirements apply to green spaces:

- Access or driving in green space mit motorized verhicles is not permitted.
- No disturbing of other visitors.
- Any intended use of the permit-exempt allowance must be notified in advance via email to anlagenaufsicht.gartenbau@muenchen.de, specifying the location, timeframe, the name and contact details of a responsible person, as well as the subject matter and a description of the scene.
- Ordinance of Green Spaces

Filming with higher requirements

If requirements exceed the dimensions mentioned above, or if filming takes place on public green spaces, the filming activities still require approval from the Department of Mobility. For inquiries regarding this, the City of Munich's Film Service Office can be contacted using the details provided below.
